

Because here you  
earn while you learn

Take advantage of this tremendous opportunity to join the Certified Ophthalmic Assistant Apprenticeship at Cleveland Clinic, where you can gain sought-after skills and certification you need to achieve success in a family-sustaining career. In this program, you will earn while you learn.

Cleveland Clinic’s Certified Ophthalmic Assistant Apprenticeship will provide you with the world’s best experience in how to work with patients in eyecare, while improving their well-being and quality of life. You’ll have the opportunity to work alongside and learn from leading experts in the field, and receive training in patient care, patient examinations and testing procedures. At the end of the program, you will be ready to apply and sit for the JCAHPO certified assistant exam to earn the nationally recognized credential.

**In the Apprenticeship, you will:**

- Prepare patients for examination and treatment, under the direction of a licensed Ophthalmologist.
- Perform initial examinations and ophthalmic testing procedures.
- Assist with related examinations/procedures.
- Document patient information in the patient medical record.
- Prepare for the Certification Exam.

**What’s in it for you:**

- Paid full-time position starting at \$16.50 with the ability to advance to Non-Certified Ophthalmic Assistant before taking the exam.
- Life-changing healthcare, retirement and paid time off.
- Training on-site at Cleveland Clinic Main Campus.
- Support and mentoring from experienced caregivers.
- Nationally recognized credentials in a high demand career.

**Certified Ophthalmic Assistant Apprenticeship**

**What you will need:**

- Positivity, reliability, professionalism, initiative, respect, gratitude, and integrity.
- Desire to care for patients, be a part of team and care for the community
- High school diploma or GED.
